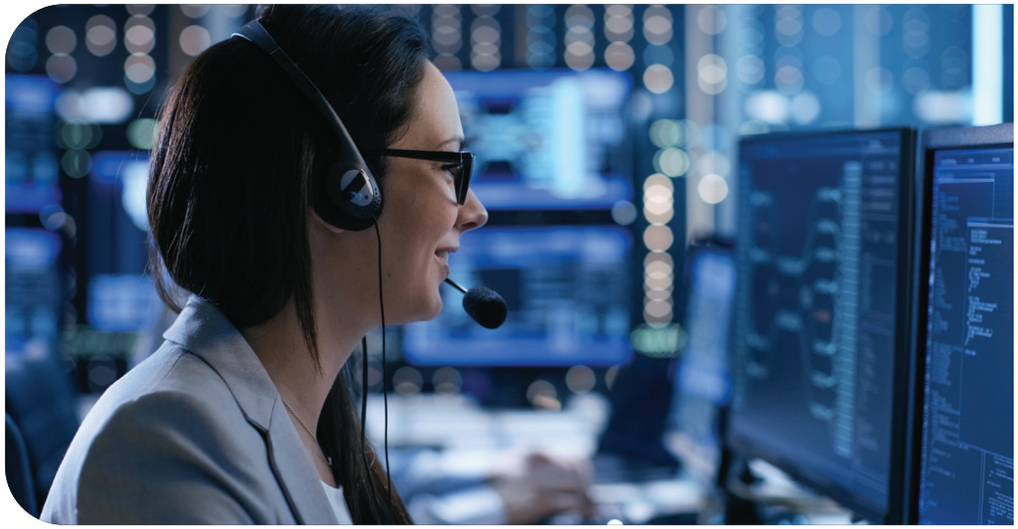
National Public Safety Telecommunications Week is the Second Week of April

An estimated 240 million calls are made to 911 in the U.S. each year. This is an average of 600,000 calls per day!

911 is for police, fire and medical emergencies only. Non-emergency calls should be directed to non-emergency phone numbers.

Details are critical. Stay on the line with the 911 operator and answer all the questions that they ask. Provide an accurate location, if you do not know the exact address, provide the call taker with all the details that you can. Look for landmarks, cross streets, signs, and buildings. First responders need an accurate location to respond as fast as possible.

- Try to stay calm and speak clearly.
- Don't hang up when calling 911. If you called by mistake, let the operator know.
- DO NOT call 911 for jokes or prank calls.



National Volunteer Week is April 20-26, 2025.

Eastex Telephone Cooperative, Inc. proudly supports its communities and encourages its customers to celebrate the spirit of volunteerism this year by participating in one or more of the many volunteer projects in your area.

Volunteer Projects Include:

Many opportunities exist in each community, so check with your local volunteer organizations and schools and find where you can best serve and make a difference in the lives of those who could use a helping hand!
