EASTEX TELEPHONE COOPERATIVE, INC.
P.O. BOX 150
HENDERSON, TEXAS 75653-0150

ELECTRONIC BANK DRAFTING FORM

Electronic bank drafting is available to Eastex Telephone customers. An electronic direct-wire transfer from your checking account to our bank will automatically pay your telephone bill each month.

This convenient option could prevent a discontinuance of telephone service and help insure your good credit rating. Perhaps you should consider bank drafting if you have had problems paying your telephone bill for any of the reasons listed below:

> **You were out of town or otherwise unavailable to pay your bill timely.**
> **You mailed your payment and it was lost in the mail.**
> **You overlooked paying your telephone bill.**

This is a simple process whereby you can fill out the form below, and each month have your telephone bill paid automatically from funds in your checking account. **NO** worry, **NO** hassle, **NO** postage.

Each month, you will receive your telephone bill as usual, but it will be marked "Paid by Draft". The bank drafts are submitted on the 10th of the month in case you notice any billing discrepancies. Best of all, there is **NO CHARGE** for this service.

If you are interested in this convenient and no-cost service, simply fill out the form below, detach and return to the Henderson Business Office along with a voided check.

EASTEX TELEPHONE COOPERATIVE, INC.

This is your authority to draft my account _____
(Telephone Number with Eastex Telephone)
each month in payment of the net amount of my telephone bill and I will keep the bank statement as my receipt. You may continue to draw on my account for my telephone bills until further notice.
