Sales Tax Holiday Tax Free Weekend:

August 11-13, 2017

In 2017, Texas shoppers get a break from state and local sales taxes on August 11, 12 and 13 – the state's annual tax holiday. As in previous years, the law exempts most clothing, footwear, school supplies and backpacks priced under $100 from sales and use taxes, which could save shoppers about $8 on every $100 they spend.

Subject to the criteria explained by visiting the website below: all sales of qualifying items made during the holiday period qualify for the exemption, including items sold over the Internet, television or by mail. Lay-away plans can be used again this year to take advantage of the sales tax holiday.
