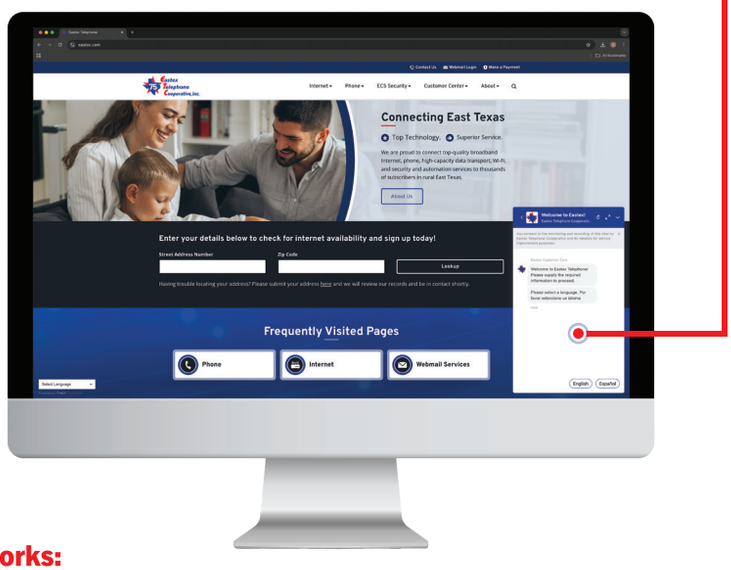
Don't Forget to Spring Forward!

Daylight savings time begins Sunday, March 9th at 2am.

NEW Chat Feature Now Available on Eastex.com

We're excited to announce a new feature on our website that makes connecting with us even easier! Our new Live Chat feature is now available to help you get quick answers to your questions when our offices are open.



How it works:

The chat feature is live and our customer care team is ready to assist you during our normal business hours.

Simply look for the blue chat widget in the bottom right corner of the website to start a conversation with us.

If you visit us outside of these hours, the chat will automatically disappear, ensuring you have the best experience when we're available to respond.

Rest assured, we are continuously working to improve our communication channels and to make it even easier for you to reach out when you need us most.

We're committed to helping you, and this is just one more step toward enhancing your experience with Eastex. Whether you need support or have a quick question, we hope this feature makes your visit to our website even more convenient. As always, we value your feedback! Let us know how we can continue to improve your experience and what you think of this new feature!

Texas 811®

Know what's below.
Call before you dig.

Contact us two working days before you dig!

Our customers frequently encounter service problems created when someone has cut or damaged a cable. Repairs to damaged cable must be made by qualified telephone maintenance personnel.

Contact us by calling 811.

Follow Us!
