SERVICE OPTIONS

Please select the Eastex services that are right for you. Prices do not include applicable taxes and surcharges.
All of the following options include the stated broadband internet speed, unlimited data and 1 Ethernet port.

Check One:	Fiber Internet Services	Price per Month
◯	***1 Gig**** – *Lightning-fast download speeds up to 940 Mbps and upload speeds up to 880 Mbps.*	**$99.95**
◯	***100x100**** – *Impressive symmetrical 100 Mbps upload and download speeds.*	**$69.95**

*Internet speed claims represent maximum network service capability speeds and are based on wired connection to gateway. Actual speeds may vary depending on multiple factors, including but not limited to: equipment performance, interference, congestion, speeds of visited websites and devices in use. Service subject to availability and all applicable terms and conditions. Eastex's Gig and multi-Gig internet services are available in all Eastex Net fiber markets but may not be available at every location due to local network capacity, equipment compatibility, or other technical considerations. Gig and Multi-Gig services may require specialized customer equipment and compatible cabling to achieve advertised speeds. For broadband labels, please visit Eastex.com and enter service address or request labels from a customer service rep.
